

CHECK OUT LINE

From a fast car to couture to a Cartier ring, these wild and wonderful picks registered with us. **By Lisa Tepper**

SPLISH SPLASH

You après-ski'd in his boots, ran in the rain in his trenches, now **Michael Kors** introduces his premier line of womens' swimwear. Just in time for cruise season, Kors' suits are sleek and sexy. His use of elegant hardware and fun animal prints make Michael Kors swimwear as apropos for mid-afternoon cocktails as it is for the pool.
